## 2005 Clean Ohio Agricultural Easement Purchase Program (AEPP) Scoring Results

### *BACKGROUND*

Dear farmers, local officials and interested citizens:

On March 23, 2005, the Ohio Farmland Preservation Advisory Board met for the purpose of reviewing and scoring submitted AEPP applications, and recommending to Director of Agriculture Fred L. Dailey those applications to be selected for funding.

The Director of Agriculture may, upon consultation with and recommendation from the Ohio Farmland Preservation Advisory Board, select applications from different regions of the state in order to achieve the goal of awarding funding throughout the state. In 2005, the Advisory Board separately evaluated all applications from the eastern third of Ohio.

Please click on the following link for the scoring results of applications submitted to the 2005 Clean Ohio Agricultural Easement Purchase Program (AEPP). The Ohio Department of Agriculture currently has pending offers to purchase agricultural easements on the highlighted farms.
